

REMARKS

This is in response to the Office Action mailed January 21, 2010 and further to the Supplemental Amendment filed on January 21, 2010.

Repeated telephone calls have been made to the Examiner, however, the Supplemental Amendment still has not been acted on.

The Examiner indicated that she was not able to act on the amendment until the Legal Instruments Examiner (LIE) forwarded it to her. While the Transaction History has been changed to "01-21-2010 Amendment Crossed in Mail" (see attached page), the Bibliographic Data still shows the Status of "Final Rejection Mailed" (see attached page). It is respectfully requested that the Supplemental Amendment filed on January 21, 2010 be immediately forwarded to the Examiner for consideration.

It should be noted that the Supplemental Amendment was filed at the request of the Examiner based on the telephone interview, as well in response to the Examiner's proposed amendments.

It is respectfully submitted that the Supplemental Amendment filed on January 21, 2010 should be immediately entered and be considered responsive to the Office Action mailed January 21, 2010.

In view of the foregoing and other considerations, all claims are deemed in condition for allowance. A formal indication of allowability is earnestly solicited.

The Commissioner is authorized to charge the undersigned's deposit account #14-1140 in whatever amount is necessary for entry of these papers and the continued pendency of the captioned application.

Should the Examiner feel that an interview with the undersigned would facilitate allowance of this application, the Examiner is encouraged to contact the undersigned.

Respectfully submitted,

NIXON & VANDERHYE P.C.
